Job Name: _____

Part Number: _____

Date: _____

- **Performance:**
 - Flag lifts in 5-10 MPH winds.
 - Specifically designed for outdoor use, offering optimal performance in various weather conditions.
 - Typical life span ranges from 8-10 months before signs of tattering and fading appear.
- **Color Retention:**
 - The quick-drying nature of nylon fabric allows for longer color retention, maintaining vibrant colors over time.

Applications:

- Ideal for outdoor displays in residential, commercial, and institutional settings.
- Suitable for use in various weather conditions due to its durable and high-quality material
