

Texas Flag RePatriot Specification

Key Features:

- **Construction:**
 - Made of recycled yarn created from recycled PET bottles which helps reduce waste.

Flag Size	Number of Bottles Used
3' x 5'	15 bottles
4' x 6'	18 bottles
5' x 8'	24 bottles
6' x 10'	36 bottles
8' x 12'	58 bottles
10' x 15'	90 bottles
10' x 19'	114 bottles

- The RePatriot fabric is twice as strong as standard commercial nylon and closely rivals poly flags in longevity.
- The fabric is dyed using UV-resistant red and blue pigments, offering significantly improved color retention in harsh weather and sunlight.

Job Name: _____

Part Number: _____

Date: _____

• **Performance:**

- This flag lasts over 40% longer than standard nylon due to its superior color steadfastness and strength.
- It outperforms nylon in maintaining vibrant colors, even with prolonged outdoor exposure.
- Lightweight design offers excellent flyability, even in low wind conditions, comparable to 200-denier nylon flags.
 - Flag lifts in 5-6 MPH winds.
- Typical life span ranges from 10-12 months.
 - We advise that you take down your flag in bad weather conditions and if wind speeds reach over 30 mph

Applications:

- Ideal for outdoor displays in residential, commercial, and institutional settings.
- Suitable for use in various weather conditions due to its durable and high-quality material
